	Issue	Description	Action	Notes
1	<p>Salisbury [District] Local Plan 2011</p> <p>The Proposals Maps accompanying the Salisbury District Local Plan 2011</p>	<p>What is its status? Is it still relevant? Has it been adopted by Wilts Council</p>		<p>What is the current local development plan for Wiltshire?</p> <p>Wiltshire Council has inherited the local plans produced by the former district councils in Wiltshire. These are still relevant after 1 April, 2009.</p> <p>The policies contained within these documents currently form part of the development plan for Wiltshire and will remain in place until replaced by policies in new Development Plan Documents (DPDs), particularly the Wiltshire Core Strategy, which is timetabled for adoption in Winter 2012.</p> <p>These policies will be used to inform decisions on planning applications. The application of these policies will be based on the previous administrative boundaries to which they originally related.</p> <p>Pasted from http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy.htm</p> <p>Interactive map of the Salisbury District Local Plan 2011</p>
2	B3089	<p>What is Wilts Plan for B3089.</p>	<ul style="list-style-type: none"> • Sheila to liaise with Community Transport Group. • Bruce to liaise with Charles Smith, 	<p>At the moment there is a weight restriction between A305 and A303 at Willoughby Hedge. This does much to reduce the use by heavy lorries as a through route between Salisbury and Exeter through the Nadder Valley. The situation could deteriorate if the proposed junction between A303 and A350 is constructed.</p>
